## **GROUP OUTING TRENTHAM GARDENS**

On Wednesday 17<sup>th</sup> October the Group had a very successful outing to Trentham Gardens and Shopping Village. After reading the forthcoming weather forecast for that day which wasn't good, everyone was very relieved (most of all me), to see the sun shining, it was a lovely Autumnal day so it was very pleasant to walk about. There were not many people around so it was easy to shop and also find somewhere to eat. I believe one or two people also visited the gardens walking round the lake and even took the boat back which ran for just 2 persons and with a commentary as well, talk about preferential treatment!

There were 40 of us on the trip altogether and a very enjoyable day was had by everyone. Thanks must go to Sheila Fardoe for providing us with a free raffle and also to Brian Knibbs for his help and humour on the coach.

We hope to run 2 more trips in 2013, so watch this space!
